

31-DAY CONSECRATION FAST DEVOTIONAL

written by Pastor Wandra P. Williams

January 2, 2021 “Repentance”

[Read: Matthew 3:1-17](#)

It doesn't matter how long you have been saved; repentance will always be in order when you have sinned against God. True repentance keeps you in right standing with the Lord and it's something you must have if you desire to live holy. Repentance is not a mere apology but, it means you have decided to turn away from the strongholds of sin to a life that is righteous and holy unto God. Today, when you pray, consider the strongholds in your life, confess your sins, acknowledge your faults and choose to repent. Remember, strongholds are not always tangible things seen with the human eye. Repent, and turn away.
