## January 27, 2021 "Fellowship"

**Read:** [Hebrews 10:25](#), [Proverbs 27:17](#), [Romans 1:12](#)

Fellowship is defined as "friendly association, especially with people who share one's interests." How well do you fellowship with God? Does what interest God, interest you? True fellowship with the Lord yields a relationship with Him that will carry you through some of the most challenging seasons you will ever face. Fellowship with other believers who share your interest in the faith – in the Gospel of Jesus Christ is what will strengthen you and keep you encouraged to hang in there. Don't forsake fellowship. Don't forsake the opportunity to assemble with other believers. Keeping yourself away from those who share the same belief in this Great Gospel as you do, is exactly what the enemy wants. Remember, fellowship keeps you sharpened (Proverbs 27:17) While you may be limited in your face-to-face fellowship with brothers and sisters in Christ, there are other ways you can fellowship. You can fellowship with a phone call, text message, email, or a handwritten note sent by mail. Take the time to appreciate fellowship today. Appreciate your friendly associations especially the friend you have in Jesus. Today, when you pray, seek the Lord to strengthen your fellowship with Him and look for an opportunity to fellowship with your brothers and sisters in Christ.
