

31-DAY CONSECRATION FAST DEVOTIONAL

written by Pastor Wandra P. Williams

January 18, 2021 "Salvation"

Read [Ephesians 2:8](#), [Romans 10:9](#), [John 14:6](#)

Your salvation is the deliverance from sin by the shed blood and your belief in Jesus Christ. Salvation is a beautiful gift to be treasured and shared. The beauty about Salvation is that it is free to all who will receive it. Christ has redeemed you and set you free by sacrificing His life just for you. You are saved today not because of any work you've done but because of His mercy. Take the time today to appreciate the gift of salvation and share this gift with those you meet. Today, when you pray, ask God to provide you with the opportunity to share His saving grace with those who don't know Him as Lord, Master, and Savior.
