

# 31-DAY CONSECRATION FAST DEVOTIONAL

written by Pastor Wandra P. Williams

## January 7, 2021 "Money"

Read [1 Timothy 6:10](#), [Hebrews 13:5](#), [Matthew 6:19-24](#), [Philippians 4:19](#)

Your relationship with money can reveal a great deal about your heart. God wants you to see money as a resource and not a source. God and God alone is your source. Yes, [Ecclesiastes 10:19](#) tells us that money answers all “things” in the context of the feast for which it is written about. But money doesn’t answer everything. It doesn’t answer heartache, it doesn’t answer despair, it doesn’t answer life-threatening illness and disease, it’s not a substitute for love, joy, or peace. Sometimes you may think that you would be better off if you just had more, but would you? Choose to be content with what you have, give as you are led and instructed by God and always ask God about what to do with the money, He’s allowed you to have. Money can only answer some tangible things but there’s only one answer for the Spiritual and eternal things – Jesus. Today, when you pray, ask God to reveal your heart as it relates to money. As He reveals, choose to work on those areas where money or the lack of has become the priority more than God.
