

31-DAY CONSECRATION FAST DEVOTIONAL

written by Pastor Wandra P. Williams

January 4, 2021 “Obedience”

[Read John 14:1-15](#)

To keep the Lord's commandments is to obey Him. Your love for God is measured by your obedience to God. Your obedience to God is sure to be tested but you must consider the costs of it all. Remember the consequences of disobedience as a child? Consequences also happen when there's disobedience concerning the things of God. Are you willing to obey God at all cost? Are you willing to obey God even when your obedience is misunderstood or not well received by others? Rest in knowing that your goal is to please God, your goal is to love God and if you love Him, you will keep His commandments. Think about the areas in which you struggle to obey. Today, when you pray, ask God to help you in your struggle to obey His voice.
