

31-DAY CONSECRATION FAST DEVOTIONAL

written by Pastor Wandra P. Williams

January 3, 2021 “The Voice of God”

[Read John 10:22-28](#)

How well do you know the voice of God? Knowing and discerning the voice of God will require you to first seek Him. In seeking Him, you will find Him (Jeremiah 29:13). Seeking after God must be intentional. The more you seek Him, the more you spend time with Him, the more you study His Word, you will know His voice and a stranger you will not follow. The voice of God matters more than all of the other voices surrounding you. Today, when you pray, ask God to perfect your hearing so that you will know when He's speaking and when He's not.
