

31-DAY CONSECRATION FAST DEVOTIONAL

written by Pastor Wandra P. Williams

January 22, 2021 "Legacy"

Read [Matthew 6:20-21](#), [Deuteronomy 6:5-7](#), [Psalm 145:4](#), [Proverbs 13:22](#)

Legacy is often associated with money or property left to an individual in a will and while there is tangible legacy, there's also Spiritual legacy. God gave to the world His only Son, Jesus. Jesus left with us a comforter, the Holy Spirit. The Holy Spirit inspired the Word of God you read today. You have been left a Spiritual legacy that will far outweigh any worldly legacy. As a child of God, you too have the responsibility of leaving a legacy. What does it take for you to leave a legacy with those whom you love? Leaving a legacy for those whom you love will require preparation, sacrifice and the commitment to do better by those you love than what was done toward you. You may be one who was reared in a negative environment as a child, but you can change the narrative for your children by building and leaving a legacy that has Christ and His love at the center. As you reflect today, think about the type of legacy you're building. Is the legacy you're building one that will lead others to Christ? Is the legacy you're building focused more on those Spiritual things than natural things? Is the legacy you're building one that will make the lives of those you love better than what your life is or has been? Today when you pray, ask God to show you how to build a legacy that will be a blessing to others while pleasing and glorifying Him.

DAY 22
